Donna Shalala, Secretary
US Dept of Health & Human Services
200 Independence Avenue SW
Washington DC 20201

Dear Secretary Shalala,

I am writing to express my concern about the possible weakening of labeling requirements for irradiated food that is being considered by the Food and Drug Administration. I strongly believe that it is my right to know if the food I eat has been treated with radiation.

Only clear, honest and permanent labeling is acceptable for irradiated foods, be it packaged or unpackaged.

Sincerely,

Frank Rosin
